PRODUCT DATA SHEET

CHAIN BAR OILS

PRODUCT DESCRIPTION

Hi-Tec Chain Bar Oils are made from a blend of high quality base stocks and selected additives to ensure optimum performance and long life lubrication of chains and their sprockets.

Hi-Tec Chain Bar Oils contain tackifiers to resist "throw-off" ensuring that a continuous wear reducing adhesive lubricating film is kept on the chain mechanisms and maintaining maximum benefit of the anti-wear and anti-corrosion additives systems.

The fluidity of **Hi-Tec Chain Bar Oils** ensures that they are ideally suited for manual application or for units fitted with automatic oilers. **Hi-Tec Chain Bar Oils** exhibit excellent penetration of chain links.
