

### SPIN ON OIL FILTER

Hi-Tec superior quality, automotive spin on oil filters provide long oil filter life, protecting the engine between service intervals with improved flow, reducing the risk of oil starvation, whilst enhancing engine protection and efficiency. Hi-Tec oil filters are fully interchangeable with other leading oil filter brands.

#### SPECIFICATIONS

Type	Spin on oil filter			
Part No	<ul style="list-style-type: none"> <li>HT79A</li> <li>HT9</li> <li>HT154</li> <li>HT386</li> <li>HT115</li> <li>HT418</li> <li>HT160</li> <li>HT313</li> <li>HT411</li> <li>HT418</li> <li>HT432</li> <li>HT600</li> <li>HT632</li> <li>HT663</li> </ul>	<ul style="list-style-type: none"> <li>HT432</li> <li>HT436</li> <li>HT411</li> <li>HT495</li> <li>HT516</li> <li>HT663</li> <li>HT734</li> <li>HT372</li> <li>HT386</li> <li>HT445</li> <li>HT495</li> <li>HT734</li> <li>HT89A</li> <li>HT9</li> </ul>	<ul style="list-style-type: none"> <li>HT547</li> <li>HT89A</li> <li>HT79A</li> <li>HT632</li> <li>HT334</li> <li>HT445</li> <li>HT600</li> <li>HT334</li> <li>HT372</li> <li>HT516</li> <li>HT547</li> <li>HZ79A</li> </ul>	

### CARTRIDGE ECO OIL FILTER

Hi-Tec superior quality, automotive cartridge eco oil filters provide long oil filter life, protecting the engine between service intervals with improved flow, reducing the risk of oil starvation, whilst enhancing engine protection and efficiency. Hi-Tec oil filters are fully interchangeable with other leading oil filter brands.

#### SPECIFICATIONS

Type	Eco cartridge filter with O-ring			
Part No	<ul style="list-style-type: none"> <li>HT2591P</li> <li>HT2604P</li> <li>HT2605P</li> <li>HT2606P</li> <li>HT2615P</li> <li>HT2620P</li> <li>HT2734P</li> <li>HT2734P</li> <li>HT2720P</li> </ul>	<ul style="list-style-type: none"> <li>HT2646P</li> <li>HT2648P</li> <li>HT2651P</li> <li>HT2662P</li> <li>HT2694P</li> <li>HT2720P</li> <li>HT2591P</li> <li>HT2604P</li> </ul>	<ul style="list-style-type: none"> <li>HT2605P</li> <li>HT2606P</li> <li>HT2615P</li> <li>HT2620P</li> <li>HT2651P</li> <li>HT2662P</li> <li>HT2694P</li> <li>HT2701P</li> </ul>	

## GREASES

### LITHIUM BFT 2 GREASE

Hi-Tec Lithium BFT 2 Grease is a superior Lithium Complex thickened, NLGI 2, heavy duty, extreme pressure, anti-wear, anti-corrosion multi-purpose grease possessing excellent lubrication characteristics for a wide range of applications. It is especially suited for high load and/or high temperature applications due to its heavy base oil and being a highly adhesive grease it has excellent sealing properties to reduce damage due to the ingress of moisture, dust and dirt in off-road conditions. Lithium BFT 2 Grease is recommended for use in automotive, agricultural, marine, truck and heavy earth moving equipment operated under arduous conditions.

#### SPECIFICATIONS

Product Code	HI7-1032
Characteristics	<ul style="list-style-type: none"> <li>Super heavy duty beige, NLGI 2 Lithium Complex grease</li> <li>Provides lasting lubrication at high temperatures</li> <li>Extends re-lubrication intervals</li> <li>Provides superior corrosion resistance and protects components in wet and arduous conditions.</li> <li>Excellent load bearing properties and anti-wear performance</li> </ul>
Operating Temperature Range	-30°C – 150°C
Product Sizes	450g, 20kg and 180kg

### VXP-2 GREASE

Hi-Tec VXP-2 is a superior, state of the art lithium complex extra heavy duty grease. It is a high temperature, high extreme pressure (EP) grease designed to meet the demands of the most severe and hostile industrial and off highway automotive applications and conditions.

#### SPECIFICATIONS

Product Code	HI7-1006
Characteristics	<ul style="list-style-type: none"> <li>NLGI 2 Purple Lithium Complex grease</li> <li>Maximum protection against high shock loads</li> <li>Superior rust and corrosion protection</li> <li>Excellent mechanical stability</li> <li>High temperature capability</li> <li>Prime recommendation for rolling element bearings, plain bearings, chassis parts, gears and couplings</li> </ul>
Operating Temperature Range	-20°C – 170°C
Product Sizes	400g, 450g, 2.5kg, 20kg, 55kg and 180kg

### LITHPLEX TAC EP-2 GREASE

Hi-Tec Lithplex TAC EP-2 Grease is a superior, multi-purpose grease possessing excellent lubrication characteristics for a wide range of anti-friction and plain bearings, gears and couplings in automotive, marine, agricultural and industrial applications.

#### SPECIFICATIONS

Product Code	HI7-1005
Characteristics	<ul style="list-style-type: none"> <li>NLGI 2 Blue Lithium Complex grease</li> <li>Functional Multi-Purpose Grease for low and high temperatures</li> <li>Water resistant</li> <li>Adhesive and cohesive</li> <li>Prime recommendation for wheel bearings, chassis, boat trailer wheel bearings, electric motors, and ball joints</li> </ul>
Operating Temperature Range	-20°C – 170°C
Product Sizes	400g, 450g, 500g, 2.5kg, 20kg, 55kg and 180kg
